

FAMILY FUN NIGHTS

Family Engagement

Partner with Community & Family Services to host **Family Fun Nights** at your school. These events create a welcoming space where families can **connect, engage,** and **participate in activities** that enhance learning while building stronger community ties. Designed to support student success both in and out of the classroom, each of the seven Family Fun Nights (below) aligns with South Dakota standards.

Each Family Fun Night brings a unique theme to discover together:

 **Math Quest**

 **STEAM Night**

 **Night of Nations**

 **Uniting Hearts & Minds**

 **Health & Fitness**

 **Family Reading Quest: 1 & 2**
